June 19.

Dearest Darling,

I got your busy letter from you yesterday. Well, Baby, I hope you make real good. But of course I know you will you always do every thing real well.

Last night I was a very good girl I stayed home and washed and ironed and listened to the radio.

Darling do you know that I almost never leave the house before 8 when I go some place in the evening. By the time I get home it's almost six, and then I have to make my own supper and do the dishes and by that time it's pretty close to 7:15 and then I take a shower and get dressed and it's 8:00. So you can be reasonably sure when you call that I'll be home up till about 8:00. How long does it take for a call to go through?

Of course on my day off I probably

wont be home. I have Tues off this week  
Wed next week and Thurs the following.  
you see how my days off come.

To-morrow is Fathers day so I think  
I shall get my Dad and your Dad  
each a nice sport shirt. I cant think  
of any thing else they want or need.  
Boy do I ever get moved around here.  
Everytime they need a special job in  
a hurry then they ship me there. now  
Im back in the first place I started.  
now, Darling, you know I wasnt  
making fun of you in your clothes  
and anyway I wasnt poking fun at  
your pants I was laughing at you.  
~~So~~ If I remember correctly everytime  
you'd even think of a hookie you  
would get a hard on. So maybe  
now that you havent seen me for  
sometime maybe you get a hard on  
everytime you think about me. If that's  
the case I hope you have a hard on  
all the time because I want you to  
think of me all the time  
yesterday I showed your picture

to some girl I was<sup>3</sup> working with and she looked at you and said "Oh, is n't he good-looking." I'm always so proud to show your picture. Is that the way you are with my pictures.

Yeah it sure is swell out to-day. But it's always swell when we have to work but when I'm off it's either raining or cold or something is wrong. I hope tomorrow is nice.

Bill stopped at my bench to-day at work and asked me if I would like to go there for supper but I told him I had to go to town and do and do an extra lot of shopping. So I will probably just eat down town. I generally eat at Walts. He has the best food and it is the most reasonable.

Darling I love you. you are such a sweet little graham cracker boy.

I'm glad you are all mine.

Well I guess I'd better get back to work  
Lots of hugs + kisses

your own  
Frank
